## **PinPoint Resources and TechTrades Reach Employment Milestone**

***Indiana sister companies employ over 650 through first 3 quarters of 2011.***

**(Fishers, IN. – October 28, 2011)** – Sister companies **PinPoint Resources**, a provider of professional technology talent, and **TechTrades**, which provides certified technicians and trades people – are proud to announce that they have collectively employed over 650 individuals on contracts, across the U.S., through the first three quarters of 2011. Combined, the companies also announced a 50%+ increase in quarter-over-quarter and year-over-year revenues and contracts.

“We’re thrilled to reach this jobs and growth milestone,” said Scott Abbott, Managing Partner at PinPoint Resources and TechTrades. “This shows that we’re helping to solve the challenges and opportunities that our clients face today, with regard to their workforce requirements. It also demonstrates that we’re helping our clients cost-effectively increase their growth and productivity - by leveraging our team, our database of talent and our cloud-based workforce sourcing solution. As important, we’re gratified to help so many people with jobs, income and career advancement.”

Combined, PinPoint Resources and TechTrades’ customers include government agencies and small, midsize and Fortune 1000 companies in Technology, Disaster Recovery, Marine, Alternative Energy, Utilities, Manufacturing, Distribution, Mining and Construction. Together, they have successfully performed over 5,000 assignments, and worked with more than 1000 companies.

### **About PinPoint Resources**

Founded in 1993, PinPoint Resources is a professional services firm specializing in the discovery, delivery and development of technology talent for technology organizations. Headquartered in Fishers, Indiana – PinPoint provides contract, contract-to-hire and direct hire technology talent to organizations across the technology-chain, including: Software Companies, Service Providers, Resellers, OEMs and Enterprise Users. For more information, visit [www.pinpointresources.com](http://www.pinpointresources.com).

### **About TechTrades**

From its headquarters in Fishers, Indiana - TechTrades provides licensed technicians and trades people throughout the U.S. and abroad. Started in 1993, TechTrades’ OSHA and MSHA accredited support team services commercial, industrial and contractor companies, as well as government entities. Its Crisis Recovery Unit (CRU) deploys “quick strike” teams, ranging from 25-250 specialists, in response to natural disasters.
